

Family Education Rights and Privacy Policy

Adopted: January 20, 2016

Policy

The purpose of this policy is to encourage positive parental involvement in the education of children attending Wallace Stegner Academy (the "School"). The School will comply with State and federal laws concerning family educational rights and privacy, including but not limited to the federal Family Educational Rights and Privacy Act and the Utah Educational Rights and Privacy Act.

The School's Principal will establish administrative procedures that provide standards for the protection of private information within the curriculum and other school activities and in the administration of psychological or psychiatric examinations, tests, or treatments, or any survey, analysis or evaluation of students. The procedures will also address the management of student educational records.
